Dear Mr. Sutherland:

We inspected your gypsum mine in Emery County on April 22, 1997, and found material which is not related to mining located at the western edge of the pit. The material consists of wooden pallets, rope, and a barbecue grill. You shall remove these items from the mine site within 10 days of the date of this letter. You shall also give this office your current address and telephone numbers.

If you have any questions, please feel free to contact Dean Nyffeler or Neil Simmons of my staff at 801-636-3600.

Sincerely,

*Penelope J. Dean*
